

## *Our Facts:*

- The Noah's Gifts Foundation (NGF) was established in 2005 by Lisa Price and her friends and family after her son, Noah, passed away from cancer
- Is a non-profit volunteer organization with 501 (c)(3) status
- NGF is a universal, nonsectarian organization
- Raises money for children with cancer and other serious illnesses as well as pediatric cancer research
- Is a very unique and inclusive foundation that offers personal financial support including household expenses, for families in need
- Offers Respite Care, cooked meals, and volunteers to take care of little everyday tasks that need attention
- Established the "Latkes for Love" campaign that raises money each year through the sales of latkes in local schools

Although Noah was with us for just three years, his impact was enormous. Noah's contagious smile and giving nature inspired us all. In honor of the many people Noah touched, and the many lives he lit up, the

Noah's Gifts Foundation was established.
